Clinical Experience

Licensed Psychotherapist: 1998 to Present

I provide counseling, psychoeducational, and relational psychotherapy to children, adolescents, individuals, couples, and families in variety of contexts including high conflict divorce situations. I also provide psychotherapy, co-parent counseling, parent coaching, and family reconnection therapy for court involved high conflict families. For parents seeking to confidentially negotiate their parenting plan, I provide confidential mediation services.

Frequently Encountered Clinical Issues:

Transitions related to loss, death, divorce, adoption, and normative development
 Parenting (especially in the contexts of divorce, blended families, and neuro-atypical children)
 Personal boundary development and adjustment
 Separation, individuation, and identity development in adolescence
 Psychological trauma
 Addiction
 Assertiveness skills building
 Interpersonal communication

Special Areas of Interest and Expertise:
